About Soles4Souls:

Soles4Souls disrupts the cycle of poverty by creating sustainable jobs and providing relief through the distribution of shoes and clothing around the world. Headquartered in Nashville, Tennessee, the organization repurposes product to supply its micro-enterprise, disaster relief and direct assistance programs. Since 2006, we have distributed more than 30 million pairs of shoes in 127 countries and generated over \$250 million in economic impact. A non-profit social enterprise, Soles4Souls earns more than 70% of its income and commits 100% of donations to programs. Visit soles4souls.org for more information.

Used Shoes = New Opportunities

Your new and gently-worn shoes help individuals start and sustain small businesses to lift themselves out of poverty. Donated shoes are a viable resource to help entrepreneurs provide crucial necessities for their families.

This conference will be the last opportunity to donate your new and gently used shoes thru the De Anza District!
