

THE BENEFITS OF BELONGING TO GFWC

CALIFORNIA FEDERATION OF WOMEN'S CLUBS GENERAL FEDERATION OF WOMEN'S CLUBS INTERNATIONAL

Influence: In Communities and Across the Nation; in front of Legislatures. This kind of influence comes from more than a century of community service; strong partnering with local government, business and non-profits.

Support: For Personal Endeavors and Passion Projects. GFWC clubs offer members support on issues close to their heart, we support reforestation of the National forests with "Penny Pines" for every \$68 we collect one acre of land gets planted with seedlings.

Recognition: For Individual members & clubs; from outside organizations as a force to be reckoned with; Then Senator, now Vice Pres. Joe Bidden "(GFWC)... a gem among our midst ...We desperately need the individual attention & Dedication of Volunteer. Volunteer work done by Club members fills an invaluable role."

Resources: Funding; access to people & places; affinity programs. GFWC offers access to 170 national, regional and local companies & agencies offering training, knowledge, & other resources to our clubs.

Relationships: Networking and Federation Friendship- with GFWC Clubs we can be inspired by and empowered by dedicated women with whom we work who are giving to others unselfishly and for the right reasons.

Experience: Opportunities, - GFWC affords to lead on the local, state, and national levels in both elected & appointed positions. Clubwomen's knowledge and skills broaden their horizons.
